Our Curriculum Goals

# Redhill's Road to School Readiness

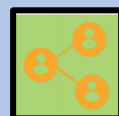

Dear Families,

During your child's time in Nursery, we will be working to help them develop the necessary skills and knowledge & vocabulary they need to be ready for their next steps in education. We need your help, ensuring your child attends the setting consistently, so that remain on track and continue to progress on their learning journey. Help us by supporting your child's independence by providing experiences and opportunities to practise these skills at home and help your child along the Road to School readiness.

Thank you for your support.

## Personal, Social and Emotional Development

- I show awareness of routines and behavioural expectations.
- I can accept that sometimes I will be told no, or I may need to wait for my needs to be met.
- I can identify my feelings and manage them with support.
- I can persevere with something that is difficult.
- I understand how to keep healthy such as washing hands, sleep, healthy eating, exercise.

## Communication & Language

- I invite others to join in pretend play based on my experiences.
- I can understand and ask; who, why and how questions.
- I can retell an event in complete sentences, sometimes using 'and' and because.
- I can use a wider range of vocabulary from stories and experiences.
- I can recall past experiences, events & stories.

## Physical Development
